

## Information for Pet Shelters

Sheltr invites new Pet Shelters to join the platform and share their adoptable pets with the world. Our user-friendly platform offers useful features for Shelter Staff:

- Easy-to-update pet profiles with photos and full details
- A customizable Shelter Profile to share information like policies and hours of operation
- Upcoming and newly-requested Meet & Greets at a glance

You can't  
buy love, but  
you can  
rescue it.

WHO  
RESCUED  
WHO?

## About Sheltr

Adopting a pet should be a joyful journey, not a communication maze. Animal shelter employees struggle with overwhelmed inboxes and limited hours, while potential pet parents face dead ends and delayed connections.

# Sheltr

A cross-platform mobile app for connecting pet shelters and prospective pet parents

# WHY **SHELTR?**

A new way to adopt your best friend

**SHELTR MAKES IT EASY TO:**

-  **Browse pet profiles to find the perfect pet**
-  **Filter by age, species, breed, size, and more**
-  **Request a Meet & Greet right in the app**
-  **Find your new best friend in just a few taps**

## INFORMATION FOR PROSPECTIVE PET PARENTS

With just a few taps, Sheltr enables users to browse pets easily and set up a Meet & Greet with the pets that seem like a match. Manage your profile, find the right friend for you, and connect with Shelter Staff in just a few taps!

### Sheltr transforms the pet adoption experience

Our user-friendly app brings shelters and adopters face-to-digital-face, enabling instant communication, streamlined scheduling, and effortless meet-and-greets. With Sheltr, finding your furry forever friend is just a tap away, leaving frustration behind and paving the way for happy pets and pet parents.
